

Below is the current waiting list for admission to the Great Lakes Senior Golf Association. You can see that the list is extensive—there are many golfers waiting to join our group. There are a few things you should know about this list:

1a. Due to past "favoritism" some golfers were admitted to the GLSGA based on who they knew. While this may have worked with a shorter waiting list, the Board of Directors feels that the only fair way to gain admission is by inviting golfers based on the order their application was received.

1b. Beginning in 2012 the Board of Directors instituted a new admission policy for individuals on the waiting list that have reached the age of 75. Anyone of that age (or older) will be offered a special "age 75 invitation." These invitations will be in addition to, and not reduce, the number of "normal" invitations.

2. On average we have been admitting about 40-60 golfers each year. Using that fact, and your position on the list, you should be able to estimate the length of time before receiving an invitation to join.

3. You will note that a few golfers have been waiting three or more years. Some of those individuals submitted an application before their 50th birthday. They are now waiting to reach that age.

4. While we believe that this list is accurate we are human. It is possible that some individual may have submitted an application and we failed to record it. If you did submit an application and do not see your name on the list please contact us and we will correct the mistake.

5. If you are currently on the waiting list **and have moved since sending your application** please contact us with your updated information.
